12th Completed with 76% (2021)

10th
10th Completed with 73% (2019)

PROJECT DETAILS

Digital E-gram

It seems like you are looking for a summary of an e-gram project. However, you haven't provided specific details about the project. E-gram projects can vary widely, ranging from electronic government services to digital communication platforms for rural areas. To provide you with an accurate summary, I would need more information about the specific goals, objectives, and features of the e-gram project you are referring to. Please provide more details, and I'll be happy to assist you further.

Using By-

Frontend:- HTML,CSS,JS, BOOTSTRAP
Backend:- PHP, MYSQL
